INFO@BEAUFURN.COM

Please include all contact information for Bill-to address and Ship-to address, all item numbers and descriptions for the items you are ordering.

Your order will be acknowledged by Beaufurn. Please check your acknowledgement for accuracy in item number, description and pricing and notify us of any discrepancies. The acknowledgement must be signed by the customer and is considered an agreement between the customer and Beaufurn, superseding all prior communications regarding the order.

Any changes to your acknowledged order may result in additional charges or delays in shipment of your order. An order may not be altered or canceled once production has begun.

### **ITEM SPECIFICATIONS**

Beaufurn reserves the right to make changes to the products represented in the lines without prior notice to customers. We continually make modifications to structure and dimensions to improve the comfort and look of our items. Dimensions listed are approximate and can vary per item. Please do not assume that a style will have the exact dimensions shown. If you have specific dimensional needs due to limited space, etc please notify Beaufurn at time of order.

### **COM**

All upholstered items are priced as COM, Customer's Own Material, unless otherwise specified in the price list. Beaufurn offers a limited selection of top quality upholstery fabrics. Please contact customer service for pricing and colors available. Beaufurn is not responsible for color accuracy, defects, performance, durability, appearance or flame retardancy of COM. All COM fabrics sent must pass CAL TB-117-2013, and documentation for confirmation must be supplied. However, if the fabric was produced prior to 1/1/15 and passed a similar test method (ASTM, UPFAC or NFPA 260) that is also acceptable. Otherwise, if no certifications or proof of compliance are provided, a barrier can be applied to the material as long as documentation is provided that the barrier meets Section 2 of TB117-2013. COM is not covered under Beaufurn's Limited Warranty. Beaufurn reserves the right to refuse any COM deemed unsuitable for upholstery. Yardage requirements shown in price list are for non-directional fabrics based on 54" wide fabric. In the absence of instructions, we will apply a fabric pattern according to our best judgment. Please ship all COM to Beaufurn and include the order number, customer name and item number the fabric is to be applied to. COM not received within one week of payment with an order, will further delay your order. Your order will be placed on hold and withdrawn from the production queue until we can receive your COM. Once COM is received, your order will be released back into production as quickly as possible.

## FREIGHT COSTS | GUARANTEED SHIPPING + HANDLING PROGRAM

**PROGRAM** - Beaufurn offers an optional guaranteed shipping and handling program. Delivery is via common carrier. This optional guaranteed shipping and handling program enables the purchaser to determine shipping and handling charges when ordering and provides the purchaser with one invoice for both shipping and handling charges, and the Beaufurn product.

**HOW TO USE** - Unless otherwise noted on your order, Beaufurn will ship "Guaranteed Shipping," and will select the most appropriate carrier and routing on all shipments. If the customer specifies a carrier on their order, freight will ship collect via that carrier.
